

Dear New Mexico Internal Network Equipment Vendors,

This is your invitation to attend our **annual Equipment Vendor meeting**, at the UNM Science and Technology Park's Rotunda meeting room, on Wednesday, December 12, from 10 to 12 (MST).

As part of the conversation, we would like to present updates and receive your feedback about ways to improve the program. Please put this important meeting on your calendar as we look forward to seeing you again. We will be sending you another reminder email closer to the date, and we will include an agenda at that time as well.

We appreciate the support you provide to our New Mexico schools and to the broadband program. It is good to see the progress that has been made so far.

Please RSVP to Ruth Bingham at PSFA, on behalf of the BDCP, for information on free parking during the meeting. She can be reached at rbingham@nmpsfa.org.

Sincerely,

The BDCP team
