

The West Central Consortium has posted an RFP for a 2018-2019 project at:

<http://crecnm.org/Links.aspx>

This new consortium consists of Reserve Independent Schools, Magdalena Municipal Schools, Quemado Independent Schools, Socorro Consolidated Schools, Reserve Public Library, Magdalena Public Library, and Glenwood Community Library. The request is for proposals for managed internet access over a wide area network (WAN). This is an E-rate funding dependent project and corresponds to Form 470 # 190000681.

If you are able to consider a response to any part of this RFP, please review the documents at the link above, bookmark the link and get on the RFP's email distribution list. Also, please share this information with others.
